1 AN ACT *to create* 84.10416 of the statutes; **relating to:** designating and marking  
2 a bridge across the Menominee River in Marinette County as Veterans

***Analysis by the Legislative Reference Bureau***

Under current law, certain highway routes and bridges have been designated and marked to memorialize, commemorate, or recognize certain individuals, groups, or events. This bill directs the Department of Transportation to designate and mark the bridge on USH 141 across the Menominee River in Marinette County as "Veterans Memorial Bridge" as a living memorial to and in honor of all Wisconsin veterans, living and dead, of all wars in which the United States has engaged.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.

***The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:***

4 SECTION 1. 84.10416 of the statutes is created to read:  
5 **84.10416 Veterans Memorial Bridge in Marinette County.** The  
6 department shall designate and mark, but not beyond the Wisconsin-Michigan

Please review the attached draft carefully to ensure that it is consistent with your intent. This draft does not require private fundraising for the bridge to be marked as Veterans Memorial Bridge. Instead, DOT must cover the cost of marking the bridge. Compare created s. 84.10416 in this draft with s. 84.1024, stats. Please advise if this is not consistent with your intent. Also, I have used some of the same language in this draft that appears in s. 84.1024, stats., with respect to the purpose of the memorial. Please advise if you would prefer different language.

Please let me know if you would like any changes made to the attached draft or if you have any questions. If the attached draft meets with your approval, let me know and I will convert it to an introducible "/1" draft.

Hi Aaron,

Thanks for the preliminary draft. Sorry I did not include info about funding the first time around. According to the constituent who is advocating for this project, there are private funds available (and the signs are already constructed) the only potential cost on the Wisconsin side is paying those who hang the signs in Niagara. The language you included with respect to the purpose of the memorial is perfect. I will keep an eye out for the /1 for this bill.

Thanks again!
